

# Refer a Child

## The Pyjama Foundation

**The Pyjama Foundation supports children and young people aged 0-24 years living in foster care, residential care, and kinship care.**

### **Do you know a child in care who would benefit from a mentor?**

The Pyjama Foundation is a not-for-profit organisation that supports the educational outcomes of children and young people living in out-of-home care.

We recruit volunteers, known as Pyjama Angels, who are carefully paired with a young person in care with the goal of building a consistent relationship and helping them to reach their full potential.

Pyjama Angels visit their young person for **one hour per week**, focusing on learning, life skills, and confidence-building, all while having fun! Pyjama Angels become a trusted, consistent mentor in the young person's life, whilst also supporting their carer.
